

Limited Warranty

Shell Warranty 1 year

H2O Spa Ltd warrant the shell against water loss to the customer arising from structural failure for a period of 5 years.

Shell Surface 1 year

H2O Spa Ltd warrant the shell surface against water loss to the customer, arising from defects in materials, including cracks, blisters, peeling and delamination for a period of 4 years. Includes all parts and onsite labour necessary for repair.

Electrical And Plumbing Equipment 1 year

H2O Spa Ltd warrant all major spa components specifically, the pumps, the heater, the control system against malfunction arising from defects in materials and workmanship, for a period of 2 years to the customer. Includes parts and onsite labour necessary for repair. Leaks from pump unions are excluded from the warranty.

Other Spa Components 1 year

H2O Spa Ltd warrant all other spa components, ozonator, blower, spa surround, LED light, AV system - including but not limited to fuses, topside control unit, diverter caps and jet inserts against malfunction arising from defects in material and workmanship for a period of 1 year to the customer. Includes only parts necessary for repair. Labour cost is not included.

Labour Warranty 0 years

No labour warranty is included with this purchase, however on the purchase date of the spa you can upgrade to a 2 years parts 1 year labour warranty for £299. This will not include travel costs (see performance section). A £150 up front deposit will be required before an engineer is sent out. Travel costs not included and calculated at 90p per mile from NG8 (deducted from deposit).

Cover Headrests & Cabinet

H2O Spa Ltd warrant spa cover, headrests, cabinet and step to be free from defects in materials and workmanship at the time of delivery.

Conditions Of Warranty

All warranties apply to the original customer, at the original address at which the spa was installed. Your limited warranty does not include the cost of shipping parts back to H2O Spa Ltd, or to an authorised repair agent for assessment. This warranty does not include costs incurred by the use of a non-authorised engineer. Customers must gain written consent from H2O Spa Ltd before instructing any engineer not authorised by H2O Spa Ltd. In all cases H2O Spa Ltd has the sole responsibility for determining the cause and nature of a fault. H2O Spa Ltd determination is final. H2O Spa Ltd reserve the right to provide a replacement spa of equivalent value if we deem it to be necessary. In such circumstances the customer shall be responsible for the cost of moving and installing the new spa into position. N.B. The H2O Spa Ltd warranty is valid only when the customer has returned the warranty validation certificate and a copy of the part P electrical installation certificate within 30 days of delivery and undertakes to have their hot tub serviced by H2O Spa Ltd engineer or approved sub-contractor every 12 months.

Performance. The customer must report any discovered fault to H2O Spa Ltd within 14 days. H2O Spa Ltd representative will then diagnose the fault over the telephone and may suggest a number of possible solutions for the customer to attempt. If after these suggestions fail to resolve the fault, H2O Spa Ltd will then send out an engineer. If an engineer is sent out, payment of a call out/travel charge will be required from the customer. Payment of the call out/travel charge is necessary before an engineer will be sent out and is charged at 90p per mile from NG8, a deposit of £150 will be required. Callout fees are waived for any fault occurring in the first 30 days of delivery. If the engineer determines that any fault is not covered under this warranty, the customer will be solely responsible for the cost of any parts and the engineers onsite labour charge which is £35 per hour.

Exclusions. All warranties are void if the spa has been subject to chemical misuse or chemical imbalances, alterations or modifications not authorised by H2O Spa Ltd, attempts to repair the spa not authorised by H2O Spa Ltd, incorrect use of the spa including but not limited to running the spa dry or filling the spa up incorrectly, electrical installation by a non-qualified electrician, ice in the spa, incorrect winter preparation, or commercial use. No part of the spa is warranted against chemical damage. This includes but is not limited to deposits of limescale on the spa shell or on spa components. Correct chemical use is the sole responsibility of the customer. Spa covers are not warranted against chemical burns. The spa shell and components are not covered against any defects, which may occur as a result of the customer not using the cover while the spa is not in use or in direct sunlight for long periods of time un filled. This warranty does not cover damage arising from the use of unauthorised sanitisers such as tri-chlor, acids, calcium hypochlorite, sodium hypochlorite, peroxides, any sanitizing chemical that may remain undissolved on the spa surface. Damage to headrest pillows reported beyond the day of delivery will not be covered under warranty. We advise customers to remove Headrest pillows from the spa when not in use.

Disclaimer. H2O Spa Ltd will not be liable for loss of use of the spa, or any incidental expenses incurred as a result of the repair or replacement of the spa. This includes but is not limited to permanent decking or surroundings, flooring, any other fixtures, chemical loss, water loss or filter loss. H2O Spa Ltd warranties are limited to the maximum amount of monies received from the customer with respect to the sale of the spa.

All Warranties. All warranties apply from the date the spa is delivered to the customer. The warranty is not transferable. Please remember to return the warranty registration form within 30 days of delivery with a copy of your Part P certificate.
